ANTHONY COLLINS **Featured in APRIL**

Plein-Air painting is a passion of Anthony Collins. He often visits the T.C. Steele House area in Brown County, Indiana, for inspiration as seen in the above paintings.

STUDENT ARTIST OF THE MONTH

The artist featured for APRIL is **Adelle Rolofson** from **Argenta-Oreana**.

Adelle writes: "I'm a 17-year-old junior in high school. I began to create art about 6 years ago when I was 11. I began to draw and everyone says my skills rapidly got better and better. I mostly just want my art to be something beautiful and that I can fall in love with. Maybe something that others can fall in love with too... but it's mostly just for me! After school, I would like to go into a field that has to do with animals, like a veterinarian, but with maybe less schooling involved." Please come into Gallery 510 to see Adelle's work during April. You can also check it out on our website at www.gallery510.org.

THE GALLERY FRAME SHOP

What is a Dust Cover?

A liner paper adhered to the back of a frame. The dust cover keeps dust and insects out of the frame package. It also helps reduce fluctuations in humidity, limits the infiltration of environmental gases, and gives your framed artwork a professional look.
