ADDRESSING THE INTERESTS OF THOSE WHO APPRECIATE THE VISUAL FINE ARTS

Casey Wilen – MacArthur H.S.

We invite you to visit Gallery 510 Art & Framing and see the new artwork of those who are teaching our young artists. These artists have taken some time to feed their own souls while sharing their knowledge with their students. One needs to create themselves to be better able to inspire others.

STUDENT ARTIST OF THE MONTH

The artwork featured for January is by **Chance Justice** from **St. Teresa High School**. He has been working on his comic art for the past three years. Chance will spend upwards of five hours inking a drawing such as this one.

Gallery 510 will feature this work on our Facebook page and on our website, www.gallery510.org. Like us on Facebook or check out our website to see more artwork.

THE YOUNG ARTISTS' SHOWCASE 2021

Due to the coronavirus and students learning remotely, Gallery 510 has cancelled this year's Young Artists' Showcase in January for the fifth through eighth grade students. In addition, our venue, the Anne Lloyd Gallery, is closed for the month of January. Nonetheless, we encourage the young artists to continue to create.

ARTS IN EDUCATION SCHOOL GRANTS

Gallery 510 Art & Framing is proud to have given out funds to 20 Macon County high schools and junior high schools this year. Funds were distributed to schools to assist them with the purchase of art supplies for their students. We thank the Amherst F. Hardy Foundation for making this possible. Due to COVID-19 and the closure of businesses and schools earlier in the year, this distribution was delayed until this November.

Tracey Maras is the newest member of Gallery 510. She is best known for her realistic pastels of the natural world.

"Since discovering pastels in 2000, my work has spanned many themes: wildlife, landscapes, and portraits." The pastel painting to the left is 16x20". It is \$495 and is titled "Enlighten". It won the 2D first prize in the October National.

The pastel to the left is \$570 and is 16x24". In addition to pastels, my other passion is teaching workshops.

These new fiber works by Cindy Harwood are mounted on stretched canvas 6" x 6". They are from Cindy's "Window Series" and sell for \$55 each. Find these works and others by Cindy at Gallery 510 or on the website.

THE GALLERY FRAME SHOP

What is a Sandwich Frame?

A sandwich frame is usually made of 2 pieces of acrylic with the photograph or art piece “sandwiched” between the two pieces of acrylic. These are very contemporary and the photographs can be changed out quickly.

Gallery 510 Art & Framing has several options to order. One of our vendors offers a 1 inch thick 5x7 magnetic sandwich frame that holds a 4x6 photograph. It stands on its own without an easel. There are options that also hang on the wall and are connected with brass bolts at the corners. These can be custom ordered to size. Even a treasured book can be “sandwiched” between acrylic and preserved to hang on the wall.

Come in and check out these modern framing options at Gallery 510.
