“I am so looking forward to my First Friday Show. It has truly been an honor to be represented by such a wonderful gallery as 510 for the past 20 years. It has been my privilege to be associated with so many talented, creative, and generous people; inspirational artists who are both mentors and friends.”

“I am taking a break from exhibiting my work but will continue to support this important and welcoming place. My retrospective collection of drawings will focus on many genres from baseball to birds and everything in between.”

“I hope to see you all on the 9<sup>th</sup>! It will be fun!”

With affection,  
Dan Modzelewski

## STUDENT ARTIST OF THE MONTH

While school is out for the summer we will not feature a student artist. Watch for this again in September. We have been pleased to have WAND and Steve Nichols interview these talented young artists for the past several months. Please watch the podcasts at WAND for the monthly interviews starting up again in September.

## ARTS IN CENTRAL PARK

The Decatur Area Arts Council and Gallery 510 are preparing for the annual art fair in Central Park this September. We hope you are, too. Mark your calendar for the 3<sup>rd</sup> weekend in September. We will be marking the booth spaces on Thursday prior to those white tents going up on Friday, September 17. You're invited to be a V.I.P. or Very Important Person to AICP by promising to make a purchase during the weekend. What and how much is totally up to you. Just contact the Decatur Area Arts Council (217-423-3189) and let Kim know to add your name to the V.I.P. list. As a thank you all V.I.P.s are invited to a Preview Party under the tent on Friday evening. COVID-19 guidelines will be followed, of course. Most booths will be open Friday night. It's a festive time with live music under the pergola. For any changes in these plans, please watch the DAAC & Gallery 510 websites.

## PASTEL PLEIN AIR WORKSHOP with Tracey Maras

Tracey Maras is best known for her realistic pastel paintings of the natural world around us and life interacting with it. Working with pure pigment, her pieces are vibrant yet intimate views of Central Illinois and beyond.

Since 2000 Maras’ work has spanned many themes including wildlife, landscapes, interiors and portraits. She consistently pushes the limits of the pastel medium, exploring new techniques in each work. Maras actively teaches pastel techniques in workshops and classes throughout Illinois.

**JULY 10 \* 9am to 4pm**  
**One-Day Workshop - \$60**  
**“Creative Compositions: Creating Inspired Paintings”**

**Sign up at Gallery 510. Space is limited. Details and supply list will be provided.**  
**Call 217-422-1509 or stop in at 160 East Main St., Decatur**

During this 1-day workshop, you will incorporate inspired moments into familiar and some not-so-familiar compositional formats. Beginning your drawings and paintings with a strong foundation in design and composition will make them more engaging and attention-grabbing. We will be focusing on stepping away from copying a reference photo to make the painting your own vision.
