An additional award was bestowed on Tracey by the Mayor of Springfield. She just received the Mayor's Award for the Arts for Individual Artist. We are very proud of you, Tracey! (pictured below)

“When I paint, I never think of selling. People fail to understand that we paint in order to experiment and to develop ourselves as we strive for greater heights.
— *Edvard Munch*

ROBERT LUMPP

The featured artist at Gallery 510 in July is showing summer paintings appropriate for the month. They might be reminders of a favorite vacation or perhaps you are looking to hang new work at your winter home in the south. The above acrylic painting is a wide horizontal at 12” x 36”.

THE GALLERY FRAME SHOP

Framing Your Diploma

This is the time of year when graduations occur. A frame for the graduate’s certificate is a wonderful gift that will last a lifetime and is often something they don’t buy for themselves. Gallery 510 can create a simple frame in a variety of woods and widths or design something more elaborate for you. Most certificates have a gold seal so a gold fillet is a beautiful addition to set off the certificate. There’s almost an unlimited selection of mats available to compliment the certificate with school colors. You can’t go wrong with this gift.

If you know the size, we can make up the frame in advance. However, gift certificates are always available in any amount. Consider a frame as a gift for any celebration. A photograph needs a lovely frame.
